I would like to help and am available. I have been on leave this week - returning to Boise Saturday evening. Let me know and I will coordinate with Calvin.

Gentlemen,

Mr. Way is up to his ears in gators down on this Gold King Mine release. Unfortunately I'm gonna have to have some fairly serious surgery on both my knees next week and Steve needs some support running work on the Mine Site itself. You would not be a part of the overall IC, but would work directly with Steve on the Mine Site itself. A two week commitment would be nice, but we'll take anything. You guys were on the top of our request list.
